Antibiotics in School

The school policy is that antibiotics will only be given to children in school in an emergency. Doctors will prescribe antibiotics to be administered 3 times daily if requested and this can be managed outside of the school day. We thank you for your co-operation.

First Holy Communion

First Holy Communion for Y3's at St Williams Church will be at 9.30am and 11.15am on Sunday 13th May.

Prayer of the Week

Dear God

We pray for those who do not have as much as we do

May they find food, water and a light to guide their souls.

Thank you for all our friends and family and all we have today

Thank you also for letting us have a roof over our heads and food in our stomachs.

May we pray for the unfortunate people effected by disease and pray they get better.

Pray also for the families of those who have sadly passed away.

Amen

Olivia and Ellie Y5

Y4 Mini Red Tennis Event

A fabulous photo from the Y4 Mini Red Tennis event held at Hallamshire Squash Club on Tuesday this week.

4 boys and 4 girls from Y4 played mini tennis against 7 other schools and came 2nd.

Well done!

Census Day Lunchtime Menu

Thursday May 18th is Census Day and we would encourage as many children as possible to have school dinners. The special Census Day menu will be sausage / quorn sausage, chips and baked beans and for dessert will be chocolate sponge with chocolate sauce. The usual jacket potatoes and grab bags will still be available.

10 day Active Travel challenge

Our school will be taking part in South Yorkshire Safer Roads Partnership's 10 day Active Travel Challenge starting on **Monday 5th June** and finishing on **Friday 16th June** 2017.

The challenge is for pupils & their families to choose an **active way** of getting to school over the 10 day period. There are prizes for everybody who completes the challenge, as well as class and whole school prizes!

We need everyone to take part and make an effort to travel to school in an active way during the challenge. The challenge is also open to school staff and we will be making every effort to take part.

Walking, cycling, skating, scooting and park & stride are all active ways of travelling and we hope by taking part in the challenge it will:

Improve health & wellbeing of our pupils & their families

Encourage pupils and families to be more active

Reduce congestion and parking problems around our school

Promote active travel for the journey to school and for families to continue to do this after the challenge!

During the challenge each classroom will have a wall chart on which pupils who have travelled actively will record their journey by adding a special sticker to the chart. Those pupils with 10 stickers on the chart at the end of the 10 day challenge will be awarded a prize.

Please be aware if you live a long way from school and need to drive you can still take part by parking away from school (at least a 5 minute walk) and walking the last part of your journey, this is called Park & Stride.

Our school could also win some fantastic prizes like scooter storage or even a visit from a theatre company. We are competing against schools from across South Yorkshire so we really do need your help.

Please do your best to be active on your journey to school and help us complete the challenge.
