Message from Mrs Evans

Although this has been a long half term, it feels like it has flown by. There have already been so many exciting things going on in school: a fire engine visit, trips out, The Oakes residential and Space Week and a planetarium visit to name but a few. Next half term should be even more exciting with several classes planning exhibitions of their amazing topic work as well as the lead up to all the Christmas celebrations.

I'd like to thank all of the children and families for an excellent start to the year, and all of my fantastic colleagues for their hard work and dedication this term. Have a great half term everyone.

Staff News

I'm delighted to announce that we have appointed Andrew Myers to cover Miss Kidd's maternity leave from January. Mr Myers has been teaching in London and is relocating to Sheffield in the new year. He was excellent at interview and we are confident that he will be able to continue the fantastic work that Miss Kidd has been doing in Y4. Mr Myers was in school this morning meeting the children so Y4 should be able to tell you all about him!

After half term, the dinner menu will change so that there is no 'grab bag' option over the winter months. Following feedback from children and parents however, Taylor Shaw are continuing to offer a sandwich option each day. This will be served on a plate, so that children will be able to help themselves from the salad bar in addition, and also have a hot pudding if they want.

Thank you to Fr Cooke for our wonderful Harvest Mass this afternoon, and thank you for all the contributions sent in this week. Everything will be given to the St Wilfrid's Centre.

Remember that All Saints Day is the 1st November. Masses will be on Tuesday 31st October at 7.30pm and Wednesday 1st November at 10.00am and 7.30pm at Mother of God, and on Wednesday 1st November at 10.00am and 7.30pm at St Williams.

23 October 2017

Dear Mr Truby,

I would like to congratulate you, your staff and your pupils on your school's outstanding achievement in the 2017 phonics screening check.

Early fluency in decoding is a necessary first step in acquiring the key skill of reading. There is a substantial body of evidence demonstrating that systematic phonics is the most effective method for teaching children to read. We want to ensure that every child develops a firm grasp of phonics, which is why I was delighted to see your results. With 100 per cent of pupils at St Wilfrid's Catholic Primary School reaching or exceeding the pass mark in the check, your school is in the top 3 per cent of all primary schools in the country.

Your success in teaching phonics means your pupils are developing a firm foundation in reading, from which they can become increasingly fluent and develop a lifelong love of reading.

Thank you for your work in this vital area of a child's early education and congratulations again to you and your staff for all you have achieved.

With best wishes.

Yours sincerely,
