Reception Class Super Science

The Reception class have been busy growing beans seeds. We have watched the changes happen over time. We planted our seeds in damp cotton wool in clear plastic cups so we could watch everything that happened. These were then sent home over Easter to continue growing. We were very excited to see how much they had grown on our return to school. We are now keeping a close eye on our plants, some of which we have planted outside and some we are keeping in the classroom. We will let you know if we eventually get some beans!

Y3/4 Maths Quiz at Notre Dame

On Wednesday some of the Year 3 and Year 4 children took part in a mixed Year 3/4 maths quiz at Notre Dame. They showed brilliant resilience and didn't give up on any of the questions or use the jokers they had so they would be given an answer. They worked fantastically well in three teams and everyone contributed. The questions were challenging and required logical thinking as well as a lot of mathematical thinking and reasoning. Many thanks to the adults who took them there, stayed with us and supported the teams. A huge thank you to the children who took part - we are very proud of you!

Prayer of the Week

Dear Jesus

Hear our prayer for all the refugees and heal them

Give them food and drink

And either a new home or their old home back

Pray for the wars to stop.

Amen
