## Staffing Changes for Next Year

As you will have realised from the class letters that came home yesterday, we have some staffing changes from September.

Mr Marshall will be leaving us at the end of this term to take up an exciting travelling adventure. He is off to teach in South America, which will be an amazing experience. Mr Marshall has made a huge difference to the children he has taught at St Wilfrid's and will be missed by all of us.

Mrs Ackom-Mensah, our specialist French teacher will also be leaving us at the end of this term. She is retiring to spend more time with her family and again will be greatly missed. She has kindly spent time this term handing over all of her planning and resources and doing some staff training for us so we can continue the high quality teaching the children have had.

Mrs Tonge will be moving on to a new school in September. She has been an extremely valued member of our community, contributing in many more ways than just her business manager role, and we will be sad to see her go.

I would like to thank all these staff members for their hard work and dedication and wish them the very best in the future. I'm sure they will keep in touch!

The good news is, we have appointed Mr Myers as a permanent class teacher from September, and Miss Mycroft to cover the remainder of Miss Kidd's maternity leave. Mrs Marsh will be increasing her hours to take on the Y2 class.

Mrs F Connolly will also be joining us as an HLTA from September.

I am delighted with all these appointments and looking forward to another excellent year for the children.

## Summer Fayre Inflatables

Due to the tragic accident in Great Yarmouth last weekend, we have taken the decision to not have inflatable equipment at this year's summer fayre.

Despite using an extremely reputable company with over 30 years experience for the past few years, we have been advised not to use this type of equipment until an investigation has been undertaken and new legislation put in place.

We realise that an accident like the one in Great Yarmouth is extremely unlikely, however the health and safety of our children is our top priority and has led us to this decision. Thanks for your understanding.

## Prayer of the Week

Dear Jesus

We pray for our relatives who have passed away and my grandma who has recovered because of the fantastic work of the NHS.

They try to look after all, both poor and rich.

Jesus says that love is for everybody, just not the wealthy.

We think of the many, not the few

Amen

Mae Y3/4

## Hot Chocolate Friday

Today was far too hot for hot chocolate, however the children lucky enough to be chosen enjoyed an extra cold chocolate milkshake.

**CAFOD**  
Just one world

Dear all,

**If you like bikes and want to make a difference this is for you!**

We are excited to be working with CAFOD to help make a very real difference to peoples' lives in their Share the Journey Campaign at <https://cafod.org.uk/Campaign/Share-the-Journey>

In conjunction with St Wilfrid's, we are staging a cycle ride starting at Graves Park on a route that should take approximately an hour. The journey will be suitable for adults and children alike.

If you are interested please inform the school office by emailing [z.maw@st-tc.co.uk](mailto:z.maw@st-tc.co.uk) or [b.schofield@st-tc.co.uk](mailto:b.schofield@st-tc.co.uk) and ask your friends to donate at <https://www.justgiving.com/fundraising/Mark-Conway9> . You can also make a donation on this link too. The fun starts on Sunday 8th of July at 4pm and the meeting point for the beginning of cycle is the café at graves park.

Inspired by Pope Francis, we respond with compassion and call on governments to protect the human dignity of people on the move. Share the Journey is all about this and it would be great to hear from you if you or your family want to bring a bike and make a difference!

All best wishes,

*Liam Colclough Sarah Lambert Mark Conway*
