Science Week and Great Science Share

British Science Week is being celebrated across the UK at the moment. We have been lucky to have some fabulous visitors and activities. We would, however, like to do more to celebrate science at St Wilfrid's in the two weeks beginning Monday 15 and 22 June as well. (We are planning to take part in the Great Science Share on 16 June in school, for example.) In particular, we'd like to show children the range of STEM (science, technology, engineering and maths) jobs that people in our community do. If you would like to come and tell the children (either in your child's class or other classes in school) a little bit about your job during either the week beginning Monday 15 or 22 June, that would be fantastic! The children always love these sessions.

Please contact Mrs Smith via enquiries@stwilfridssheffield.co.uk to discuss.

We need a bit of help looking after our school pond!

The pond is a brilliant place for the children to explore and learn about nature, but it could do with some extra care. If you enjoy gardening, spending time outdoors, or just want to help out, we'd love some volunteers to give the pond a tidy-up and make it even better for wildlife.

Even a little bit of time would make a big difference. If you can help, please email:

enquiries@stwilfridssheffield.co.uk.

YOUTH MULTI-RACKET HOLIDAY CAMPS 2026

For ages
6-14 yrs

Our camps are led by experienced, qualified coaches and are open to both members and non-members.

The camps feature a range of sports including **tennis, squash, racketball, padel, table tennis, pickleball**, and more.

Open to all abilities, the camps run year-round and offer a fun and engaging way for children to enjoy their school holidays.

Time: 9am-4pm [drop off from 8.30am]
