Session Times

Free Early Learning Sessions

Children are entitled to 15 hours of free early learning sessions per week or 30 hours per week depending on eligibility. For consistency and planning for the children's learning experiences, we will offer 3 main options for the free early learning sessions. However, if none of these options work for you and you would like to request an alternative pattern of attendance, we will do our best to accommodate this. Please indicate your preferences below.

Our afternoon sessions will finish between 3 and 3.15pm in order to co-ordinate with the end of the main school day for those who have siblings to collect as well. The extra 15mins will be free of charge.
