

# St Wilfrid's NEWSLETTER

The children have been amazing this week in the heat. Well done to everyone, and to all the staff for keeping going and keeping the children going despite very challenging circumstances.

A huge thank you to everyone who joined us for sports day. All the parents did so well staying through the heat to support and cheer on the children... Especially those with children in multiple sessions! You all did extremely well. We were also so grateful for the gazebos and for the parents who put them up and took them down again for us. Thank you!

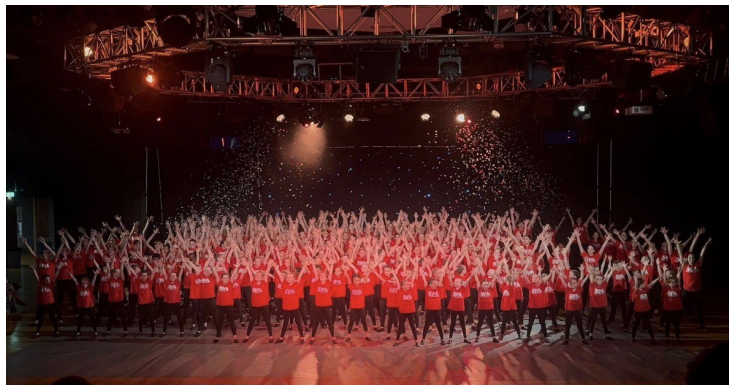

The Evo team were amazing with their organisation and adapting things on the day. Everyone seemed to have a good time. Iqra in Y6 had a special mention on the day for getting Ben square in the face with her water bomb. It was the perfect shot!

We had a wonderful mass for our First Holy Communion children on Thursday. It was great to have Father Michael and to be able to celebrate all the children from both our parishes together. Father Michael led the children in a great rendition of 'If you're happy and you know it'. Thank you to all the parents who helped with outfits, and again to the children who did a great job of leading the readings and singing beautifully.

The weather forecast looks more manageable for next week so hopefully everyone will feel a bit more relaxed!

**Summer Fayre—next Saturday, 4th July. Don't forget your donations on Monday!**

'Well done to all the amazing St Wilfrid's children who took part in the Sheffield performing arts (SPA) shows on Sunday. From reception to Y6 you all were fantastic!'

Our School Parliament did an amazing job fundraising for St. Luke's on Sports Day. They planned the Wacky Hair Day, and baked buns for all of the children. Then they collected donations on the day. Well done everyone! We will let you know the total raised once all of the donations have been counted.

Thank you to everyone for your support.
