

St Wilfrid's NEWSLETTER

Staff news

Ms Devitt will be retiring at the end of this term. Ms Devitt has been part of the St Wilfrid's community for many years and brought such a lot to our school. She will be greatly missed, but we wish her a wonderful retirement!

We are delighted that we have appointed a new teacher, Isabel Pattison, to take over from Ms Devitt from September. Miss Pattison will be joining us for some transition days this term, so the children she will be teaching and their parents will have the opportunity to meet her before the summer.

You may also be aware that Miss Chambers is expecting another baby in the autumn term. We are currently recruiting for a teacher to cover her maternity leave, and again, as soon as this person is known to us, we will arrange for some transition.

We are planning to share information about classes for next year at the start of next week. The children will bring this information home in a sealed envelope and we will be reminding them that the letters are for parents. It would be very helpful if parents could take the class letters home to open, rather than doing this on the playground with other children and families around. If you have any concerns about your child's allocated class for next year when you receive this, please get in touch via the enquiries email address.

Our Y5 children have had a wonderful time in Hollowford this week. Thank you to the children for being great representatives of our school, and a huge thank you to all the staff who went with them. Hopefully they will all be able to catch up on some sleep this weekend!

On Tuesday, the Y5 girls who took part in the Girls' Football Leadership Day, shared their passion for football with the rest of the school in assembly. They planned the assembly themselves at home and at school during lunchtimes.

Well done to the girls! Hopefully, they have inspired others to give football a try.

On Monday, our School Parliament worked as Active Travel Inspectors with Paula from STARS Active Travel.

They did an audit of the school grounds and the local area. They considered bike and scooter storage, road markings, crossings and the condition of the road.

Paula will collate the information, which could lead to some funding for improvements to our school grounds.

Achievements Outside of School

Well done Kasia for taking part in the Scarborough Summer Splash gala.

Well done Harry for being selected to play for the Sheffield Sharks U12s
in the National Basketball League

SPORTS DAY LUNCH - Tuesday 23rd June

RED - Chicken Burger & Chips

Green - Veggie burger and Chips
