

St Wilfrid's NEWSLETTER

There has been lots going on and lots to celebrate this week!

This morning, we had a wonderful assembly from the Y5/6 class, helping us to think about the season of harvest and the importance of being thankful. The children reminded us beautifully about the importance of remembering to say thank you... for the big things and the small things. They also helped us to reflect on our responsibility to those who don't have as much as we do. Again, this can be big or small - in our families and our school, and through helping charities by donating to a foodbank, or raising money.

We have been supporting the Cafod Harvest campaign today by wearing our own clothes to school to raise some money. Please donate to this excellent cause through our justgiving page here: <https://www.justgiving.com/page/st-wilfrids-primary-school-13>

Our plan with the money raised for Cafod is to pay for as many children as we can to learn to read. We will buy their world gift. 'Teach someone to read' as many times as possible.

A huge thank you and well done to the parents, supporters and staff who took part in our annual football match against St Thomas of Canterbury School. Unfortunately the outcome wasn't a win for St Wilfrid's, but it was a great team effort. (And we have won the last two, so it was probably good to keep things a bit competitive!) The final score was 5 - 2 to St Thomas. We can start training for a win next year!

We have started our class trips to Ecclesall library this week. Y1/2 and Y6 both had great trips, exploring the library, sharing some books and seeing what our local library has to offer. Each class will visit the library over the next few weeks - if you would be able to help with this trip for your child's class, please get in touch via the enquiries email address.

A reminder about our curriculum information evening next week. Parents from Y1 - Y6 are invited to an information session from **6.30pm on Wednesday 7th October**. We will be sharing information about some key areas in school, what you can do at home to help your children to succeed, and there will be a chance to visit classes to find out some more specific information. Y3 - Y6 will be providing key information about the residential trips that are planned for this year.

Have a wonderful weekend!

Calling all gardeners!

We would like to make our school entrance more attractive and welcoming. Some planting has already been done in the raised beds.

It would be fantastic if some of the children could plant some plants in a pot at home, and then donate it to school. The pots would need to be robust (not plastic).

In the long term, we would like some long wooden planters as a permanent feature in the entrance. If anyone would be prepared to make some, or donate some, then please let us know. Thank you for your support!

Cross Country race 2 is next Saturday the 3rd October. First race (3/4 girls) is at 10am, followed by 3/4 boys, 5/6 girls and 5/6 boys.

Bolehill Recreation Ground, Sheffield, S6 5DG

Please do NOT park on Northfield Ave as it is a dead end and hard to turn cars around. There is lots of parking in the surrounding streets. The race is on the field next to the playground.

All runners from KS2 are welcome. If you want to know more about cross country, Mrs Corcoran is happy to answer any questions.

You did it! Congratulations

Achievements Outside of School

- Well done Loretta who has been selected for the Sheffield Wednesday Girls breakout squad for 2026/2027 season. Amazing!
