

St Wilfrid's NEWSLETTER

Dear Parents and Carers,

Welcome back to school for 2026 and the start of the Spring Term. It has been wonderful to have the children return to school so enthusiastic and happy to be back. Well done for coping with all the challenges of the weather. From the photos, you can see that the children enjoyed being on the field and playing in the snow today. It has been great fun!

It has been a very exciting week with the Nursery opening and the opportunity to welcome new children and families to the St Wilfrid's community. The children have settled into school so well, and it has been lovely to see them exploring the Nursery environment, making new friends, and learning new things. Well done to the Nursery team, led by Mrs Dalton, for doing such a great job setting up the Nursery and getting everything ready. From the photos below, you can see that the children have been having a lovely time.

On Tuesday 6th January, we welcomed Father Michael to school to celebrate the Feast of the Epiphany Mass. Thank you to all the parents and relatives who joined us for this special celebration.

The Mass was filled with joy and hope as the children led us in prayer, reflection, and song. Father Michael reminded us all of our mission: to let our light shine in the darkness (like the star) and to be the best we can be.

This week, we have been thinking about what makes us special as a community. We have reflected on how we pray together, reflect on God's word, care for one another, forgive each other, and look after God's world.

Wishing everyone a lovely weekend.
